

LICENSE TERMS AND CONDITIONS
IDT TIMING COMMANDER ("TC") SOFTWARE

READ THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT CAREFULLY BEFORE OPENING THE PACKAGE CONTAINING THE SOFTWARE AND THE ACCOMPANYING USER DOCUMENTATION (COLLECTIVELY, "IDT TC SOFTWARE"). BY OPENING THE PACKAGE CONTAINING THE IDT TC SOFTWARE, YOU ARE ACCEPTING AND AGREEING TO THE TERMS OF THIS LICENSE AGREEMENT.

License Grants. IDT grants to Licensee a personal, non-exclusive, non-transferable, non-assignable license for the term of this Agreement, for Licensee's internal use only, to execute one copy of the IDT TC Software at a time, to reproduce a maximum of six (6) copies of the IDT TC Software for backup and archive purposes, and to use the associated end user documentation provided by IDT, all for the sole purpose of developing or configuring products which incorporate only an IDT manufactured TC product without any rights to sublicense or distribute the IDT TC Software or derivatives thereof.

Copies. The IDT TC Software is copyrighted, and Licensee can make copies only as explicitly authorized by this Agreement. Each electronic reproduction of the IDT TC Software constitutes a separate copy. All proprietary notices incorporated in, marked on or fixed to the IDT TC Software by IDT or its Suppliers shall be duplicated by Licensee on all copies and derivatives. Licensee must not assign, license, lease, rent, loan, sell or otherwise make available to others the IDT TC Software or derivatives on a temporary or permanent basis.

Reservation. This Agreement grants Licensee a license to the IDT TC Software only, and only such rights as are specifically enumerated herein. No other right, title or interest in the IDT TC Software is hereby conveyed to Licensee.

Reverse Engineering. Licensee agrees that it will not reverse engineer, reverse compile, disassemble or otherwise attempt to create source code from, any of the IDT TC Software which is delivered to Licensee in binary or object code form. Licensee further agrees that the IDT TC Software is intended to be used as an integral part of the development of Licensee's products and Licensee will take the same steps to prevent its customers from extracting the IDT TC Software from the Licensee products as Licensee takes to protect its own comparable software.

Limited Warranty. THE IDT TC SOFTWARE CONTAINED HEREIN IS PROVIDED "AS IS" WITH ALL FAULTS. IDT DOES NOT WARRANT THAT THE OPERATION OF THE IDT TC SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE OR THAT ANY PROBLEMS IDENTIFIED WILL BE CORRECTED. IDT DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING (WITHOUT LIMITATION) ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. EXCEPT FOR THE STATUTORY WARRANTIES OF TITLE, THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES.

Title. Title to the IDT TC Software, including all know how and all proprietary rights, shall at all times remain with IDT. Licensee has no ownership of the IDT TC Software other than ownership of the physical media. Title to derivatives, modification or enhancements made by Licensee shall at all times remain with IDT.

Copyright. A copyright notice on the IDT TC Software does not, by itself, constitute evidence of publication or public disclosure.

Term. This Agreement is effective upon Licensee's opening of this package and shall continue until terminated. Licensee may terminate this Agreement at any time by returning the IDT TC Software and all copies thereof and extracts therefrom to IDT. IDT may terminate this Agreement upon the breach by Licensee of any term herein. Upon such termination by IDT, Licensee agrees to return to IDT the IDT TC Software and all copies and portions thereof.

Export Controls. Before exporting or re-exporting any IDT TC Software, Licensee shall: (a) fully comply with all U.S. export control laws and regulations, and (b) take reasonable precautions, including seeking the advice of foreign legal counsel where necessary, to protect the proprietary rights of IDT and its suppliers in each foreign country in which the IDT TC Software is to be used.

Liability. IDT shall defend, at its expense, any action brought against Licensee to the extent that it is based on a claim that the IDT TC Software, when used in accordance with this license, infringes a United States (U.S.) Patent, U.S. copyright, U.S. trademark, U.S. trade secret or other U.S. proprietary right, and IDT shall pay any costs, settlements and damages finally awarded; provided that Licensee promptly notifies IDT in writing of any claim, gives IDT sole control of the defense and settlement and provides all reasonable assistance in connection therewith. If any of the IDT TC Software are finally adjudged to so infringe, or in IDT's opinion such a claim is likely to succeed, IDT shall, at its option, either: (a) procure for Licensee the right to continue using the IDT TC Software, (b) modify or replace the IDT TC Software to make them non-infringing or (c) refund the fee paid upon return of the IDT TC Software. IDT shall have no liability regarding any claim arising out of: (a) use of other than the then current, unaltered release of the IDT TC Software, unless the infringing portion is also in the then current, unaltered release; (b) use of the IDT TC Software in combination with non-IDT supplied software, data or equipment if the infringement was caused by such use of combination; (c) any modification or marking of the IDT TC Software not specifically authorized in writing by IDT; or (d) third party software.

THE FORGOING STATES THE ENTIRE LIABILITY OF IDT AND ITS SUPPLIERS AND THE EXCLUSIVE REMEDY FOR LICENSEE RELATING TO INFRINGEMENT OR CLAIMS OF INFRINGEMENT OF ANY PATENT, TRADEMARK, COPYRIGHT, TRADE SECRET OR OTHER PROPRIETARY RIGHT.

Limitation of Liability. THE LIABILITY OF IDT AND ITS SUPPLIERS SHALL IN NO EVENT EXCEED THE FEE RECEIVED FROM LICENSEE FOR THE IDT PRODUCT AT ISSUE. IN NO EVENT SHALL IDT OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL OR EXEMPLARY DAMAGES OF ANY KIND, INCLUDING LOST PROFITS, HOWEVER CAUSED OR ON ANY THEORY OF LIABILITY, WHETHER CONTRACT, STRICT LIABILITY OR TORT, ARISING IN ANY WAY OUT OF THIS LICENSE, EVEN IF IDT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY.

Government Use. Licensee shall not, without the prior written consent of IDT, deliver the IDT TC Software, any portion thereof, or any technical data relating thereto, to any branch or agency of the United States Government without a written predetermination that such items will be protected by limited or restricted rights as set forth in the applicable Federal Acquisition Regulations or other equivalent governmental rule or regulation.

Governing Law. This license is made in and shall be governed by the laws of the State of California, excluding its conflict of laws rules. Jurisdiction and venue for all claims or disputes arising under this Agreement shall be in either the Superior Courts for the State of California for Santa Clara County, or the United States District Court for the Northern District of California, San Jose Division.

Attorneys Fees. In the event of any dispute resolution proceeding between the parties, the prevailing party shall be entitled to recover its costs and reasonable attorneys fees.

Assignment. Neither IDT nor Licensee shall assign or transfer this Agreement nor any right or license hereunder without the prior written consent of the other party, and any assignment permitted shall be subject to the written consent of the assignee to all the terms of this Agreement.

Equitable Relief. The parties agree that, if a party is in breach of this Agreement, then the other party will suffer immediate, irreparable harm for which recovery of monetary damages will be inadequate and that the aggrieved party may therefore enforce this agreement by seeking injunctive or other equitable remedies, without

the necessity of showing actual damages, in addition to any available legal remedies.

Severability. If any provision of this License shall be declared void or unenforceable by any court of competent jurisdiction, such declaration shall have no effect on the remaining terms hereof.
