   values as ROM data.

   ☐  OFS register          ☐  OFS2 register          ☐  ID code areas

---

## C A U T I O N :
Note 1 : ROM order of this product programs the Data Flash area.
Note 2 : ROM data confirmation request
   ROM programming will be processed based on the mask file generated by the mask file
   generating utility. Only in case when ROM data programmed in the actual mass produced
   product differs from that of above mentioned mask file, RENESAS takes the responsibility.
   There is no Engineering Sample,  thus please confirm the ROM data at the receipt of the
   Initial product delivery.
   Should you find any problem, please return immediately.  2 weeks without technical error
   feedback towards RENESAS will automatically be regarded as acceptance of products.
