Reason for Change:

This is to inform you that Renesas Electronics America Inc. will begin to convert the package top mark from Ink-to-Laser Mark of the listed Renesas QFP and BGA packaged products. Renesas is already in production with laser mark for many package families for many years. The industry trend is to eliminate ink mark and in favor of laser mark. This aligns with industry environmental initiatives.

Impact on fit, form, function, quality & reliability:

The change will have no impact on the form, fit, function, quality, reliability and environmental compliance of the devices.

Product Identification:

There is no change to the marking content. Product affected by this change is identifiable via Renesas's internal traceability system. In this transition to laser marking, customer may receive ink marked product subject to inventory depletion and/or production release requirements.
