

Product Advisory (PA)

Subject: Addition of full tray packaging for MCU products

Publication Date: 4/22/2024

Effective Date: 8/1/2024

Revision Description:

Initial Release

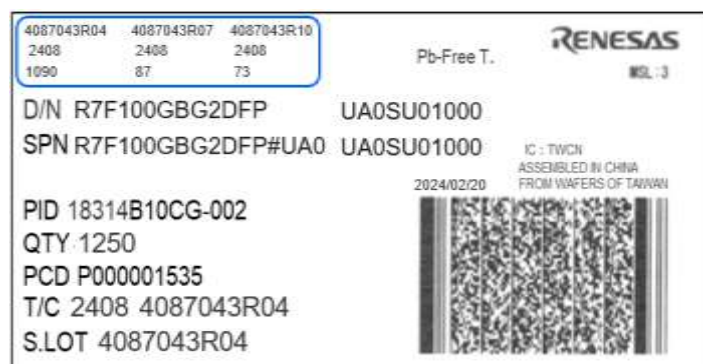

Description of Change:

Renesas will add full tray packaging to MCU products in addition to fractional and full carton. The standard shipping packaging using Renesas trays is a full carton (complete packaging). However, if the customer's order quantity is less than a full carton, we will change it to the full tray that will be added this time. Renesas plan to discontinue production of fractional tray packaging in the future. Regarding full tray production lot management, up to three production lots may be combined.

#	Items to change	Current (fractional tray)	New (full tray)
1	packing	Store by fractional (There are un stored area inside the tray, and there is also a tray that does not meet the specified number of trays in the inner box.)	All trays in full tray packaging are filled with product. However, there may be space in the inner box.
2	interior label	Since it is packed in one lot, there is no lot indication on the upper left of the interior label.	Information combining lots may or may not be printed in the upper left area of the interior label. Even in cases where it is not printed, it can be checked the integrated lot information at our company.
3	Production lot combine	one production lot into one interior box	Up to three production lots may be combined into one interior box
4	order part name	Change the order part name (please refer to Appendix A. Product list)	
5	order quantity	1 piece unit	Multiple of full tray quantity

Example of interior label of full tray packing

Cases printed in the upper left area of the interior label

Cases not printed in the upper left area of the interior label

Affected Product List:
Please refer to Appendix A.

SAG-B-24-0001
PC-MCU-A026A/E

Reason for Change:
Stable supply of products, environmentally friendly response (improving packaging resource usage efficiency, reducing waste amount)

Impact on Fit, Form, Function, Quality & Reliability:
No impact.

Product Identification:
Packaging form: Add full tray packaging and change from fractional packaging.
Our order part name: Add a new order model name. (Please refer to Appendix A.)

Qualification Status: Not applicable.

Sample Availability Date: Not applicable.

Device Material Declaration: Not applicable.

Note:
Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Renesas within 30 days of the publication date.

For additional information regarding this notice, please contact your Renesas sales representative.

Appendix A. Product list
