

Subject: Intersil Device Procurement Status Change – NCNR Removal

Publication Date: 1/20/2016

Effective Date: 1/20/2016

Revision Description:

Initial Release

This letter is to inform you that Intersil is removing the NCNR (Non-Cancelable Non-Returnable) status for the listed device(s) beginning January 20, 2016. Future orders for the listed products will no longer be on NCNR status and will be eligible for participation in future stock rotation, ship from stock and debit, re-pricing, rebates or return programs as applicable. Current inventory will not be eligible for future stock rotation, ship from stock and debit, re-pricing, rebates or return programs.

Affected product:

ISL58303DRTZ ISL58303DRTZ-T13

ISL58303DRTZ-EVAL ISL58303DRTZ-T7A

If you have concerns with this change, Intersil must hear from you promptly. Please contact the Intersil Distribution Manager servicing your area or call the Intersil Corporate line at 1-888-468-3774, in the United States, or 1-321-724-7143 outside of the United States.
