

Subject: Intersil Device Procurement Status Change - Active NCNR

Publication Date: 8/12/2016

Effective Date: 8/12/2016

Revision Description:

Initial Release

This letter is to inform you that Intersil is placing the listed devices on active NCNR (Non-Cancelable Non-Returnable) status beginning August 12, 2016. Distributors are permitted to return any unsold non-custom inventory for a period of 30 calendar days from the date of this notification. If applicable, open ship from stock and debit authorizations will expire on the date the product status becomes NCNR. Active products on NCNR may not be included in any future stock rotation, ship from stock and debit, re-pricing, rebates or return programs of any kind.

Prior to the NCNR date or after the expiration of the 30-day window for returns, you will receive communication on pricing for backlog and inventory (non-custom) not returned, if applicable.

Affected product:

ISL9111AEHADJZ-T

If you have concerns with this change, Intersil must hear from you promptly. Please contact the Intersil Distribution Manager servicing your area or call the Intersil Corporate line at 1-888-468-3774, in the United States, or 1-321-724-7143 outside of the United States.
